Guest Speakers:

Jennifer Schissler, DVM, MS, DACVD

Dr. Schissler is a native Coloradoan and graduated Summa Cum Laude from Colorado State University's professional veterinary medical program in 2005. After completing a 1-year rotating internship in small animal medicine and surgery at Wheat Ridge Animal Hospital in Wheat Ridge, Colorado, she completed a combined master's degree and dermatology residency at the Ohio State University, Columbus, Ohio. Her master's thesis was entitled, "Species identification by Polymerase Chain Reaction of Staphylococcal Isolates from the skin and ears of Dogs and Evaluation of Clinical Laboratory Standards Institute Interpretive Criteria for Canine Methicillin-resistance *Staphylococcus pseudointermedius*." She became a Diplomat of the American College of Veterinary Dermatology in 2009.

Nanette Walker Smith, MEd, RVT, CVT, LVT; Fear FreeSM Certified Professional

Nanette is a native Coloradoan and graduated from the University of California Davis with a Bachelor of Science in Zoology; Cosumnes River College Sacramento, California with Associate of Science degrees in Animal Health Technology and Environmental Design-Architecture; and the University of Central Florida with a Master of Education. She has been deeply involved in veterinary technician association functions for more than 30 years serving at the local and state levels for California, regional and state levels in Florida, and a term as Vice President of NAVTA. She is a charter member of the Wyoming Veterinary Technician Association (WyVTA) and still serves as an advisor to the Association. She maintains active memberships in NAVTA, AVTE (Association of Veterinary Technician Educators), and holds credentials in several states: CACVT (CO), WyVTA, California, and Alaska. She is a member of the Fear FreeSM Speaker's Bureau, Fear FreeSM Advisory Group, and is a Level 2 Fear FreeSM Professional Speaker.

Up to 13 hours of CE

WyVTA approved for Certified Veterinary Technicians
Wyoming Board of Veterinary Medicine pending
approval for veterinarians
